From Ms. Kazuko Shibata – Commissioner of  
Council, Girl Scouts of JAPAN

**I have been very looking forward to seeing you today.**

**It is an amazing opportunity to have such an event to grow our sisterhood even we have 7,000km distance away. This relationship has nurtured from an experience a girl in Chiba Council.**

**As we all know, Tokyo Olympic games will be beginning tomorrow but we are one day earlier to have online friendship event today.**

**Let's take this one-hour opportunity to deepen our bond and have fun together!  
Thank you very much.**
